

C-Club

The "C-Club" was initiated in 1981 to help the Kansas Masonic Cancer Research Institute at the University of Kansas Medical Center in its fight against cancer. This membership group of Foundation supporters currently totals nearly 20,000 Kansas Masons. Donors having a cumulative gift of at least \$25.00 annually until they reach the first recognition level of \$100 are featured as "Members" on their Lodge's "C-Club" plaque for that year. These plaques recognize donors who contribute to the Kansas Masonic Foundation for cancer research or student loans.

The different levels of cumulative giving in the "C-Club" are: Gold (\$100); Ruby (\$500); Diamond (\$1,000); Sapphire (\$2,500); Platinum (\$5,000); Emerald (\$7,500); and Philanthropist (\$10,000).

Those who name the Foundation in their Will or Trust become members of the Heritage Club.

Ladies of Kansas Masons may become willing workers in the good we do. A \$100 cumulative contribution entitles her to the beautiful Ladies "C-Club" pin.
